

IF Isolabel

Isolabel is a high pigmented solvent-based flexo ink, suitable for all papers (coated and uncoated) and non-absorbent materials such as PP, PE, PVC and metal films.

It has a high brilliance and very good stability, good adhesion and scratch resistance, especially on films.

Storage	Additive	Production
Storage stability in original packaging when stored between 15° and 25°C.	9207 PR Antifoam 9002 IF Retarder 2000L PR Thinner Slow 2000S PR Thinner Fast	Colour Mixings from PANTONE® or from a colour sample are produced from 5 kg.
